ACCEPTING NEW CLIENTS

Year Round Yard Maintenance has been taking care of landscapes in the Victoria area for both residential and commercial clients since 2007. Providing reliable and professional yard, lawn, and garden services is our priority. We work hard so that you can relax and enjoy the benefits!

We are a full maintenance yard, lawn, and garden company. Our goal is to provide hassle-free services, at a set price, and paid for evenly over 12 months. Scheduled Maintenance allows us to manage our time efficiently through out the season and keeps operating costs down. Our service is convenient and saves you money. The scheduled maintenance package we provide is listed on the right of this sheet. We come with expert artistic advice, future maintenance planning, professional crews, ability to install new landscapes, repairing existing landscapes, or re-imagining your property with scheduled maintenance. This is what we do best!
